

ReLeaf

2017 Tree Collections

Collections are \$55.00 each

Full sun to part shade (minimum of 4 hours of direct, unfiltered sunlight per day).

Special Order: Discovery® Elm

new!

A medium-sized elm with DED-resistance!

Discovery® Elm – A DED-resistant elm with the same graceful vase-shaped canopy as our beloved American elm. An easy-care shade tree that is slightly smaller than our native elms and is very tolerant of difficult urban growing conditions. Mature height: 10 m.

Discovery® Elm

Birds and Blooms Collection

Attract bees and birds with flowers and fruit!

Linden – A pyramidal-shaped shade tree with small fragrant flowers that attract bees and hummingbirds. Mature height: 15 m.

Juliet Cherry (2 gal) – White, fragrant flowers give way to sweet juicy cherries! Be sure to beat the birds and save some for yourself! Self-pollinating. Shrub form; mature height: 3 m.

Linden

Juliet cherry

Manitoba Treasures Collection

Tried and true favorites cherished for generations!

Bur Oak – Slow-growing and long-lived tree which is native to Manitoba and tolerant of our local soils. Acorns attract squirrels, rabbits and deer. Mature height: 24 m.

Smokey Saskatoon – a variety from Alberta known for large, flavorful fruit and high yields. Shrub form; mature height: 4 m.

Bur oak

Saskatoon

Space-Saver Fall Colours Collection

Big impact for small spaces!

Dakota Pinnacle Birch – Smaller than our native paper birch (3m wide at maturity) with attractive white bark and golden fall foliage. Mature height: 10 m.

Amur Maple - Fast-growing shrub can be pruned to tree form. Green foliage turns red in autumn. For best results, place in a sunny spot. Mature height: 5m.

How ReLeaf works

Choose your favorite tree collection(s) from the reverse side. You may purchase as many as you like but make sure you have enough space! Not sure what trees to choose or where to plant them? Helpful links are available on Trees Winnipeg's website—www.savetheelms.mb.ca. Fill out your contact information and send your completed form and payment information to *Trees Winnipeg*—the deadline is **May 15th**!

- 1) Once your registration and payment are received, *Trees Winnipeg* will call or email you with an invitation to choose your preferred tree planting workshop session. You must attend a workshop to receive your tree package. Workshop sessions will begin at the end of May.
- 2) At your tree planting workshop, you'll learn everything you need to know about how to plant and care for your trees from *Trees Winnipeg*'s qualified staff. At the end of the workshop, you'll receive your tree package and you can start planting!
- 3) After the workshops, *Trees Winnipeg* staff will visit a randomly-selected list of properties to survey your new trees — **to help us evaluate the success of the ReLeaf program and identify improvements for next year.**

Send your registration form, payment, questions, and comments to *Trees Winnipeg*!
